May 2024

Dear Applicant

Thank you for your interest in Langley Grammar School and in the post of Subject Leader for Modern Foreign Languages.

I hope this application information will help you to decide whether this would be the appropriate next step for you in your career.

This is an exciting time to join a very successful school. The completion of the final parts of an £18 million building project in autumn 2021 has provided the school with exceptional new facilities. Our academic outcomes consistently demonstrate the commitment and ability of our students and we were delighted with their GCSE and A Level results in the 2022 and 2023 summer examination series. We believe that we provide a supportive, secure and innovative environment that allows our students to flourish and develop as confident and well-rounded, independent and creative, responsible and caring young people. Ofsted confirmed this in November 2021 when we were judged Outstanding in all areas under the current framework.

We have always sought to combine our selective status with a close involvement in the local community of schools. We have supported primary and secondary schools through our previous specialisms, helping them to raise standards and learning much ourselves in return. Our academy status and current designations as the Teaching School Hub for Berkshire and as an Apple Distinguished School have provided opportunities to develop these relationships further and to have a significant impact on the educational provision in the area.

We offer an excellent working environment and additional benefits for staff, and our students are a joy to work with. We constantly review our systems and processes so that all our staff can focus on what really matters – providing the best education we can offer to our students. Our staff are our greatest asset, and we place staff wellbeing at the heart of our decision-making. The staff body are friendly and collegiate and colleagues report that they are proud to work at our school. We offer a range of additional benefits to staff. Langley Grammar School is a special place to work.

We are committed to maintaining our high standards and to developing ourselves as a centre of innovation and excellence. If you would like to share in that development and have the skills and expertise we are looking for, we would welcome your application.

Yours sincerely

John Constable
Headteacher

Distinguished School

The School

Langley Grammar School is a co-educational state selective school operating as a single academy trust. There are approximately 1280 students on roll, of whom around 370 are in the Sixth Form. The school was founded in 1956, and is one of four grammar schools serving the borough of Slough and the surrounding area. Our aim is to enable students to develop themselves personally and academically, achieving high standards within a supportive and friendly environment that stimulates and challenges them. Great emphasis is placed upon participation in a wide range of cultural, social and sporting activities. Parental support for the school is strong, and we are heavily over-subscribed.

We admit 180 students into 6 forms in Year 7, typically from more than 60 different primary schools. The great majority of Year 11 students stay on to the Sixth Form, where we usually also admit around 30-40 additional students into Year 12 from other schools.

The school occupies a 16-acre site in Langley close to the M4 and M40 and has good rail links into London via the Elizabeth Line. The site has benefitted from substantial developments over the last fifteen years, with new classrooms, sports centre, all-weather pitch and a Sixth Form Centre with a 210-seat lecture theatre. As part of the Government's Priority Schools Building Programme, our original 1956 school buildings have been replaced to provide state of the art accommodation for science, art, technology and computing, and new public areas of the school such as hall, library and dining room. This latest £18 million building programme was completed in autumn 2021.

We have a record of innovative practice and extensive outreach and targeted support to schools in the local area and beyond. In September 2021, we were designated as one of the DfE's new Teaching School Hubs, serving schools across the six local authority areas in Berkshire. A number of our staff are Lead Practitioners or facilitate on the Teaching School Hub NPQ programmes. Our innovative work with iPads for learning has been recognised with our designation as an Apple Distinguished School. The schools' network SSAT has designated a number of aspects of our practice as 'transforming' through their Framework for Exceptional Education.

Ofsted last inspected the school in November 2021, when it was judged outstanding in all categories.

Our students

Students enter the school in Year 7 on the basis of an 11+ examination administered by a consortium of the four grammar schools in Slough. Our students represent approximately the top third of the ability range as measured by the 11+ selection process. Around 50% of our students come from the borough of Slough, and reflect the diverse local community. The remainder come from a wider geographical area including a number of West London boroughs.

Over 90% of our students come from minority ethnic backgrounds, giving the school a rich and varied cultural mix. The school is a well-ordered and respectful community; students are polite, courteous and well motivated. They are also high achieving; the great majority stay on into the Sixth Form, achieve very good A-level grades and move on to higher education at highly reputable universities.

Examination results are consistently excellent. Before the pandemic, A-level outcomes at grades A*-B averaged 70% or more with an overall ALPS score of 3. The proportion of GCSE results at Grades 9-7 was consistently above 60% with Progress 8 scores 'well above average'. In the 2023 public examinations, the second set since the pandemic, 76.4% of A Level entries were graded A*-B with an ALPS score of 3. At GCSE, 76.8% of entries were graded 9-7 with a Progress 8 score of 0.83.

Our staff

We have 120 staff; 90 teachers and 30 in support or administrative roles. Teaching staff work in subject teams, led by subject leaders who are line managed by members of the Senior Leadership Team. Most teaching staff act as form tutors in teams led by Phase Leaders covering Year 7, Years 8 & 9, and Years 10 & 11. The large Sixth Form team is overseen by the Director of Sixth Form with two deputies. The school has a strong community ethos and our staff are highly professional, innovative and committed to the academic and personal development of the students.

There is a very comprehensive and well-regarded programme of professional development. All staff receive an annual Professional Review as part of a strong and supportive performance management system, with high quality induction and on-going support. There are opportunities for staff to advance within the school, and we offer support for those who wish to find promotion elsewhere. We have a clear focus on staff wellbeing, which is reflected in our track record of excellent staff retention.

Curriculum and student support

All students in Year 7 study English, Mathematics, Science, French or German (picking up the other language in Year 8), History, Geography, Religious Studies, Information Technology and Computing, Music, Drama, Art, Design Technology, Personal and Citizenship Studies and Physical Education. This programme is broadly the same in Years 8 & 9, (though students specialise in either French or German from the start of Year 9). We emphasise a broad and balanced curriculum through to the end of Year 9.

All Year 10 & 11 students follow GCSE courses in English Language and Literature, Mathematics, Biology, Chemistry and Physics, French or German. Students also choose three further subjects from a range including: a second foreign language, Art, Business Studies, Design Technology, Drama, Geography, History, Music, Religious Education and Physical Education. The non-examined core curriculum includes PSHE and Citizenship and elements of RE/Philosophy and ethics.

The great majority of Year 11 students stay on into our Sixth Form. Most choose four subjects from a wide range; the majority currently take an AS examination in one of those subjects at the end of Year 12, and continue the other three subjects through to the final examinations in Year 13. There is a programme of timetabled enrichment activities including other qualifications such as Public Speaking or Community Sports Leader Award, or non-examined courses such as Photography.

We place great emphasis on students' physical and emotional wellbeing. Throughout the school there is a strong tutorial system providing individual guidance and support. Reporting of academic progress and personal development operates through a rolling programme of parent/teacher consultations and summative reports. This structure provides for both systematic target setting and evaluation and offers an opportunity to discuss reports in review interviews with form tutors.

Our ethos

We are privileged to work with able students who have the potential to be in significant positions of influence and leadership in the future.

We encourage our students to discover their own talents, to be confident of their abilities and to follow their passions across academic subjects, in sports and the arts.

We support our students in developing themselves as innovative, effective and independent learners with high-level skills, willing to think in new ways, solve new problems and create new opportunities for the future.

We help our students build up a set of sound values so that they have the strength of character, moral integrity and resilience to deal with the challenges they will face, and the motivation and willingness to work hard to achieve their ambitions.

In addition to supporting strong academic outcomes, we therefore seek to develop our students as young people who are...

Confident and well-rounded...

...demonstrating a positive mindset; secure in their own identity and aware of their own strengths; effective and persuasive communicators; believing in their own self-worth, with a broad and balanced outlook; striving for excellence in all they do; resilient and willing to persevere.

Independent and creative...

...able to think critically and make wise decisions; curious and inquisitive; eager to explore and discover; willing to make mistakes and embrace challenges that may at first appear daunting; adaptable and flexible; innovative and enterprising.

Responsible and caring...

...grounded in sound ethical and moral values; socially and culturally aware; recognising and appreciating diversity; having the courage to stand up for what is right; acting with kindness and compassion to bring out the best in themselves and others; engaged in communities with a local, national and global outlook.

External recognition

Langley Grammar School was last inspected by Ofsted in November 2021 and was judged 'Outstanding' in all categories.

As a member of the SSAT network, and designated as a Leading Edge school we have used the Framework for Exceptional Education to inform the development of our practice. We have been judged as having 'transforming practice' in almost the entire majority of the framework strands.

Our role as a centre of excellence for the professional development of teachers has been recognised by our designation as one of the **DfE's Teaching School Hubs**. As TSH Berkshire, we are responsible for promoting initial teacher training, the Early Career Framework, and leadership development across the six local authority areas in Berkshire.

Our work with using iPads for effective teaching and learning has been recognised by Apple; we are part of the international network of Apple Distinguished Schools

We also have a commitment to an international outlook and to developing arts subjects in school.

Background to the vacancy

Details of vacancy – Subject Leader MFL

We are seeking to appoint an outstanding and inspirational Subject Leader for Modern Foreign Languages who can lead an experienced and committed subject team in a strong academic environment, where languages are highly valued. The vacancy has arisen following the resignation and relocation of the existing post holder for family reasons.

The successful candidate will be an experienced and skilled classroom practitioner with a track record of innovation and securing excellent outcomes. We offer both French and German from Years 7 to 13. Our newly appointed Assistant Subject Leader is a German specialist and therefore the ability of our new Subject Leader to teach A-Level French highly desirable. Also, the ability to teach German to at least Key Stage 3 is essential. We welcome applications from current subject leaders looking for a career move, or from strong candidates seeking to progress to middle leadership. Candidates will be in a position to take up the post in September 2024, with the option of starting earlier, subject to mutual agreement.

The department

There are currently seven teachers in the Modern Foreign Languages team (including one who also works as our Teaching School Director) and two part time Foreign Language Assistants. The Subject Leader is supported by a second in department who assists in the leadership and management of the team. The MFL department is housed in a modern and well-equipped teaching block. All classrooms have Clevertouch screens for teaching. All teachers are provided with an iPad and laptop.

The curriculum

On entering the school students are taught in form groups. In Year 7, three forms study French and three, German for 5 hours per fortnight. There are 6 periods a fortnight allocated to MFL throughout Years 8 and 9. In Year 8 students switch languages, with those who started learning French in Year 7 moving to studying German and vice versa, while continuing some study of the language begun in Year 7. During Year 8 students decide which language, French or German, they wish to specialise in from Year 9. They continue studying this language for GCSE in Years 10 and 11, following the AQA specification. In Years 10 and 11 the allocation changes to 4 and 5 hours a fortnight respectively. We offer A Level French and German in the Sixth Form.

The department are a hardworking, experienced and supportive team. Colleagues are keen to engage in professional development, work collaboratively, refine schemes of work, support students' language learning and make judicious use of technology to deliver the curriculum. The current post holder has led an adaption to the curriculum over recent years, introducing the Conti method for all year groups. This change in pedagogy, along with other work has led to an improvement in outcomes at GCSE and an increased number of students interested in studying French and German to A Level, which a new post holder can build upon.

Examination results

Almost all students are required to study a modern foreign language to GCSE. In 2023, 53% of students achieved grades 9-7 at GCSE in French and 61% in German, with 99% of students achieving a grade 4 or above in French and 98% in German. At A Level, we have small cohorts and students achieve impressive outcomes year-on-year.
