From the Headteacher

September 2024

Dear Applicant

Thank you for your interest in Langley Grammar School and in the post of Teacher of Design Technology (Textiles).

We hope this application information will help you decide whether this would be the appropriate next step for your career.

This is an exciting time to join a very successful school. The recent completion of an £18 million building project has provided the school with exceptional new facilities. Our academic outcomes consistently demonstrate the commitment and ability of our students and we were delighted with their GCSE and A Level results in the 2024 summer examination series. We believe that we provide a supportive, secure, and innovative environment that allows our students to flourish and develop as confident and well-rounded, independent and creative, responsible, and caring young people. Ofsted confirmed this in November 2021 when we were judged Outstanding in each of the four areas of the current framework.

We have always sought to combine our selective status with a close involvement in the local community of schools. We have supported primary and secondary schools through our previous specialisms, helping them to raise standards and learning much ourselves in return. Our academy status and current designations as the Teaching School Hub for Berkshire and as an Apple Distinguished School have provided opportunities to develop these relationships further and to have a significant impact on the educational provision in the area.

We offer an excellent working environment and additional benefits for staff, and our students are a joy to work with. We constantly review our systems and processes so that all our staff can focus on what matters – providing the best education we can offer our students. Our staff are our greatest asset, and we place staff wellbeing and professional development at the heart of our decision-making. The staff body is friendly and collegiate and colleagues report that they are proud to work at our school. We offer a range of additional benefits to staff. Langley Grammar School is a special place to work.

We are committed to maintaining our high standards and to developing ourselves as a centre of innovation and excellence. If you would like to share in that development and have the skills and expertise we are looking for, we would welcome your application.

Yours sincerely

JD Constable

David Harding
Deputy Headteacher &
Headteacher Designate

The School

Langley Grammar School is a co-educational state selective school operating as a single academy trust. There are 1287 students on roll, of whom 386 are in the Sixth Form. The school was founded in 1956, and is one of four grammar schools serving the borough of Slough and the surrounding area. We aim to enable students to develop themselves personally and academically, achieving high standards within a supportive and friendly environment that stimulates and challenges them. We place great emphasis on participation in a wide range of cultural, social, and sporting activities. Parental support for the school is strong, and we are heavily over-subscribed.

We admit 180 students into 6 forms in Year 7, typically from more than 60 different primary schools. The great majority of Year 11 students stay on to the Sixth Form, where we usually also admit around 30-40 additional students into Year 12 from other schools.

The school occupies a 16-acre site in Langley close to the M4 and M40 and has good rail links into London via the Elizabeth Line. The site has benefitted from substantial developments over the last fifteen years, with new classrooms, a sports centre, an all-weather pitch, and a Sixth Form Centre with a 220-seat lecture theatre. As part of the Government's Priority Schools Building Programme, our original 1956 school buildings have been replaced to provide state-of-the-art accommodation for science, art, technology and computing, and new public areas of the school such as hall, library, and dining room. This £18 million building programme was completed in autumn 2021.

We have a record of innovative practice and extensive outreach and targeted support to schools in the local area and beyond. We are currently designated as one of the DfE's Teaching School Hubs, serving schools across the six local authority areas in Berkshire. A number of our staff are Lead Practitioners or facilitate on the Teaching School Hub NPQ programmes. Our innovative work with iPads for learning has been recognised with our designation as an Apple Distinguished School. The schools' network SSAT has designated a number of aspects of our practice as 'transforming' through their Framework for Exceptional Education.

Ofsted last inspected the school in November 2021, when it was judged outstanding in all categories.

Our students

Students enter the school in Year 7 on the basis of an 11+ examination administered by a consortium of the four grammar schools in Slough. Our students represent approximately the top third of the ability range as measured by the 11+ selection process. Around 50% of our students come from the borough of Slough, and in particular the local area of Langley, and reflect the diverse local community. The remainder come from a wider geographical area including west London boroughs and south Buckinghamshire.

Over 90% of our students come from minority ethnic backgrounds, giving the school a rich and varied cultural mix. The school is a well-ordered and respectful community; students are polite, courteous and well-motivated. They are also high achieving; the great majority stay on into the Sixth Form, achieve very good A-level grades and move on to higher education at highly reputable universities.

Examination outcomes are consistently excellent. Pre-pandemic, A-level and GCSE were consistently high, with students making excellent progress from their already high starting points. In the 2024 public examinations, 85% of A Level entries were graded A*-B with a 3-year ALPS score of 3; At GCSE, 75% of entries were graded 9-7 with an expected Progress 8 score of around 0.7..

Our staff

We have 120 staff; 90 teachers and 30 in support or administrative roles. Teaching staff work in subject teams, led by subject leaders who are line managed by members of the Senior Leadership Team. Most teaching staff act as form tutors in teams led by Phase Leaders covering Year 7, Years 8 & 9, and Years 10 & 11. The large Sixth Form team is overseen by the Director of Sixth Form with two deputies. The school has a strong community ethos and our staff are highly professional, innovative and committed to the academic and personal development of the students.

There is a very comprehensive and well-regarded programme of professional development. All staff receive an annual Professional Review as part of a strong and supportive performance management system, with high quality induction and on-going support. There are opportunities for staff to advance within the school, and we offer support for those who wish to find promotion elsewhere. We have a clear focus on staff wellbeing, which is reflected in our track record of excellent staff retention.

Curriculum and student support

All students in Year 7 study English, Mathematics, Science, French or German, History, Geography, Religious Studies, Information Technology and Computing, Music, Drama, Art, Design Technology, Personal and Citizenship Studies and Physical Education. This programme is broadly the same in Years 8 and 9. We emphasise a broad and balanced curriculum through to the end of Year 9.

All Year 10 & 11 students follow GCSE courses in English Language and Literature, Mathematics, Biology, Chemistry and Physics, French or German. Students also choose three further subjects from a range including: a second foreign language, Art, Business Studies, Design Technology, Drama, Geography, History, Music, Religious Education and Physical Education. The non-examined core curriculum includes PSHE and Citizenship and elements of RE/Philosophy and ethics.

The great majority of Year 11 students stay on into our Sixth Form. Most choose four subjects from a wide range; the majority currently take an AS examination in one of those subjects at the end of Year 12, and continue the other three subjects through to the final examinations in Year 13. There is a programme of timetabled enrichment activities including other qualifications such as Public Speaking or Community Sports Leader Award, or non-examined courses such as Photography.

We place great emphasis on students' physical and emotional wellbeing. Throughout the school there is a strong tutorial system providing individual guidance and support. Reporting of academic progress and personal development operates through a rolling programme of parent/teacher consultations and summative reports. This structure provides for both systematic target setting and evaluation and offers an opportunity to discuss reports in review interviews with form tutors.

Our ethos

We are privileged to work with able students who have the potential to be in significant positions of influence and leadership in the future.

We encourage our students to discover their own talents, to be confident of their abilities and to follow their passions across academic subjects, in sports and the arts.

We support our students in developing themselves as innovative, effective and independent learners with high-level skills, willing to think in new ways, solve new problems and create new opportunities for the future.

We help our students build up a set of sound values so that they have the strength of character, moral integrity and resilience to deal with the challenges they will face, and the motivation and willingness to work hard to achieve their ambitions.

In addition to supporting strong academic outcomes, we therefore seek to develop our students as young people who are...

Confident and well-rounded...

...demonstrating a positive mindset; secure in their own identity and aware of their own strengths; effective and persuasive communicators; believing in their own self-worth, with a broad and balanced outlook; striving for excellence in all they do; resilient and willing to persevere.

Independent and creative...

...able to think critically and make wise decisions; curious and inquisitive; eager to explore and discover; willing to make mistakes and embrace challenges that may at first appear daunting; adaptable and flexible; innovative and enterprising.

Responsible and caring...

...grounded in sound ethical and moral values; socially and culturally aware; recognising and appreciating diversity; having the courage to stand up for what is right; acting with kindness and compassion to bring out the best in themselves and others; engaged in communities with a local, national and global outlook.

External recognition

Langley Grammar School was last inspected by Ofsted in November 2021 and was judged 'Outstanding' in all categories.

As a member of the SSAT network, and designated as a Leading Edge school we have used the SSAT Framework for Exceptional Education to inform the development of our practice. We have been judged as having 'transforming practice' in all twelve of the framework strands – we are only the fourth school to achieve this. .

Climate for learning  Reaccredited July 2023	Culture of reflection  Awarded April 2022	Effective learning behaviours  Awarded July 2019	Variety of teaching approaches  Reaccredited May 2021
Engagement with key stakeholders  Awarded June 2023	Engaging with evidence and research  Awarded July 2022	Principled assessment  Reaccredited July 2023	Principled curriculum design  Awarded May 2021
Leadership through moral purpose  Awarded January 2020	Professional learning  Awarded July 2019	Quality assurance  Reaccredited July 2021	Wellbeing  Awarded July 2022

Our role as a centre of excellence for the professional development of teachers has been recognised by our designation as one of the **DfE's Teaching School Hubs**. As **TSH Berkshire** we are responsible for promoting initial teacher training, the Early Career Framework, and leadership development across the six local authority areas in Berkshire.

Our work with using iPads for effective teaching and learning has been recognised by Apple; we are part of the international network of Apple Distinguished Schools

We also have a commitment to an international outlook and to developing arts subjects in school.

Background to the vacancy

Details of vacancy – Teacher of Design Technology

We are seeking a creative, skilled and enthusiastic Teacher of Design Technology (with a specialism in Textiles) to join our supportive and committed department team. The post would suit an excellent classroom practitioner at any stage of their career. Therefore, applications from ECTs or more experienced teachers are welcome. This post is offered as a fixed-term contract for one year to cover maternity leave. This is a part time role (ideally 0.6-0.8 FTE) but negotiable as we have some flexibility in staffing. The ability to be able to teach Art or a second Design Technology discipline - Food or Product Design - is advantageous. We offer an exceptional working environment where staff, as well as students, thrive.

The subject team

There are currently three full-time and two part-time teachers in the department, all of whom are subject specialists. The department benefits from well-equipped rooms for Textiles and Food Technology, and two new workshops for Product Design (dating from 2020 and 2023) alongside a dedicated classroom / ICT suite. All staff have laptops and iPads; students have individual iPads throughout Years 8-11 through a one-to-one parent-funded purchase scheme. All teaching rooms across the site are equipped with Clevertouch boards.

The Design Technology curriculum

In Years 7-9, classes currently operate on a carousel completing three modules, one on each of the three material areas – Textiles, Food, and Product Design, with three hours of teaching per fortnight. GCSE studies begin in Year 10, where students are taught for 4 periods a fortnight, rising to 5 periods in Year 11. We offer courses in GCSE Design Technology, Textiles (Art & Design GCSE) Food Preparation and Nutrition, and an A Level course Design and Technology (Product Design) in the Sixth Form. Classes in the Sixth Form are taught for 9 periods per fortnight. The school operates a 50-period fortnight, with lessons being an hour in length.

Extracurricular activities

The Design Technology subject area has a history of providing stimulating and enjoyable extracurricular activities for students. This includes competitions, visits, and links with local and national industries.

Examination results in Design Technology in 2024

Subject - number of entries	% entries grades 9-7	% entries graded 9-5
Product Design (Design Technology) – 31 entries	58	97
Textiles (Art and Design) – 15 entries	60	93
Food Preparation and Nutrition – 28 entries	82	100

Two students were entered for A Level Technology in 2024, achieving grades A and A*.

Staff benefits

	<p>Healthcare and mental health</p> <ul style="list-style-type: none"> • Up to £25 for an annual flu vaccination • Eye care vouchers to cover some/all of the costs of eye tests and spectacles • Free confidential and independent counselling helpline

	<p>Calendar planning</p> <ul style="list-style-type: none"> • Parents' evenings end at 6.30pm to reduce late evening working • Occasional CPD 'twilight' sessions run from 2.00pm to 4.30pm rather than starting after school. • Deadlines and events scheduled to spread workload where possible • Programme of after school meetings is relatively light compared to many schools • Off-site INSET day in December allows flexibility over when to complete CPD tasks • Term dates are carefully set to maximise the number of weekends in school holidays
	<p>Flexible working and leave of absence</p> <ul style="list-style-type: none"> • Staff leave of absence policy is applied generously • Informal and formal requests for flexible working considered • Teachers with no afternoon lessons or other commitments are free to sign out and work at home
	<p>Professional development</p> <ul style="list-style-type: none"> • Extensive in-house CPD programme and opportunities for external training. • Funding to support teaching and support staff working towards relevant professional qualifications.
	<p>Other benefits</p> <ul style="list-style-type: none"> • Cycle to work scheme, ample on-site parking, electric car charging points • Free tea and coffee, free coffee machine, discounted breakfasts for staff • Admissions policy favours prioritises access to children of permanent school staff • Attractive campus with modern facilities and buildings across the whole site

Job description – Teacher of Design Technology

Strategic purpose of the role

To contribute as a teacher and a form tutor to the aims and ethos of the school through high standards of teaching, care and support for all students

Line of responsibility

The Teacher is responsible to a Subject Leader, and through her/him, to the Senior Leadership Team and Governors. In the role of a form tutor, the Teacher is responsible to the relevant Phase Leader.

Operational responsibilities

- a) Provide students and staff with a role model for standards of interpersonal and professional conduct;
- b) Keep up to date with the relevant subject(s), with developments in teaching methodology and with the understanding of how students learn;
- c) Ensure that the quality of teaching, learning and behaviour in lessons and tutor time is of the highest possible standard;
- d) Assess and report on student progress and give clear, constructive feedback which will assist each student to raise her achievement and reach her goals;
- e) Contribute to the raising of achievement in the subject and year teams, to include taking responsibility for specific targets in the team development plan and development of schemes of work;
- f) Implement all aspects of the school's policies;
- g) Contribute to the school's process of self-evaluation;
- h) Take responsibility for her/his own professional development, using the outcomes to improve teaching and learning;
- i) Contribute to students' wider development in the school;
- j) Carry out any other duties which may reasonably be required by the Headteacher;

For classroom teachers who are paid on the Upper Pay Scale (UPS 1-3) there are additional expectations:

- k) Contribute to the induction, training and professional development of other teachers;
- l) Contribute to wider school development and improvement.

Person Specification

The following list shows the essential and desirable characteristics for which we are looking for when considering your application and at interview.

Characteristic	Essential	Desirable
Good honours degree in a relevant subject area	✓	
Qualified Teacher Status	✓	
Evidence of good / outstanding classroom practice	✓	
Strong subject knowledge to support teaching to A-level standard	✓	
Familiar with current developments in subject area	✓	
Evidence of recent and relevant professional development		✓
Strong organisation and time management skills	✓	
Commitment to the selective ethos of the school	✓	
Strong ICT skills to enhance your own teaching and students' learning	✓	
Ability to work effectively and calmly under pressure	✓	
Evidence of good relationships with children and young people	✓	
Ability to contribute to the wider community life of the school		✓
Good inter-personal skills including the ability to lead and/or to be a member of a team	✓	
Evidence of a team approach to the teaching of your specialist subject including the development of teaching resources	✓	

Application process

How to apply

Where possible we would prefer candidates to complete the **Langley Grammar School application form**. This should be returned with a covering letter of no more than 2 sides of A4, which takes account of the person specification and should:

- explain why you are applying for the post,
- outline the relevant experiences you believe have prepared you for this post,
- describe the skills and attributes you will bring to the school.

Letters of application should be addressed to:

**Mr J Constable, Headteacher,
Langley Grammar School, Reddington Drive, Langley, Berkshire, SL3 7QS**

Completed applications should be returned directly to Mrs Dionne Cheyne, Headteacher's PA at the address above or via the e-mail address vacancies@lgs.slough.sch.uk

If you are submitting an online application through the Times Educational Supplement or another similar application platform, please ensure that your personal statement follows the guidance for letters of application above.

Application forms or online applications must be completed in full. **CVs on their own are not accepted.**

Deadlines for application: midday on Tuesday 8 October 2024
Interviews will be scheduled shortly thereafter.

References

Please note that in line with safer recruitment practice for schools we will take up references **at the point of shortlisting** for interview. We may also contact current and previous employers as part of the process of pre-appointment checks. If you are shortlisted, any discrepancies or anomalies in the information provided, or issues arising from references will be taken up at interview. Your referees must include your most recent employer; references from friends or relatives are not acceptable.

Safeguarding

Langley Grammar School is committed to safeguarding and promoting the welfare of children. Applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers. The successful applicant will be subject to online checks and an enhanced disclosure check with the Criminal Records Bureau.

Equal Opportunities

Langley Grammar School will not discriminate directly or indirectly through applying conditions or requirements, which cannot be shown to be justified. We will not discriminate on the grounds of race, gender, nationality or origin, marital status, disability, economic status, sexual orientation, age, trade union, political or religious belief, or responsibility for dependents.

Disability Statement

Langley Grammar School will give favourable consideration to application for employment made by people with disabilities having regard to their particular aptitudes and abilities. A disability or health problem does not preclude full consideration for the job and applications from suitably skilled people with disabilities are welcome.
